

Exceptional Focused Partnerships

Since our founding in 1975 and through three generations of ownership, the critical component for our success is the **Partnerships** that we develop with our customers, employees, and manufacturers.

An Exceptional customer experience is the Focus of our Partnerships

Pneumatics

Cylinders and Actuators

Cylinders, linear actuators, rodless actuators, rotary actuators

- Air-Mite
- ASCO Numatics
- Aurora Air Products
- Bimba
- Bimba - TRD
- Fabco-Air
- Parker - Origa
- Rotomation
- W.C. Branham

Valves and Manifolds

In line, manifold and manual valves

- Air-Mite
- Aladco
- ASCO Numatics
- Bimba
- Bimba - Mead
- Bimba - MFD
- Fabco-Air

End-Of-Arm Tooling

Clamps and grippers

- Bimba
- Fabco-Air

Filters/Regulators/Lubricators (FRL)

Air quality and control

- ASCO Numatics
- Bimba - MFD
- Fabco-Air

Tubing/Hoses/Fittings

Accessories

- Adsens
- Advanced Technology Products
- ASCO Numatics
- Bimba - Pneumadyne
- Dixon Brass
- Maxpro Technologies
- Nycoil

High Pressure Fittings and Valves

Accessories

- Maxpro Technologies

Tanks

Air reservoirs

- Bendix
- Bimba - TRD

Electrical Connectors

Solenoid valve accessories

- Adsens Technology
- Canfield Connector

Pressure Amplifiers

Workstation pneumatic boosters

- Bimba
- Fabco-Air
- Maxpro Technology

Sensors and Gauges

Sensors, gauges and electric displays

- Adsens Technology
- Gems Sensors and Controls
- UCI

Blowers and Air Motors

High volume blowers and air driven motors

- Airtech
- Atlas Copco
- Republic Manufacturing

Two Hand No-Tie Down Controls

Electric and pneumatic operated

- Air-Mite
- Bimba - Mead
- Renco

T-Slot Extrusion

Aluminum

Structural framing and components

- Parco

Hydraulics

Cylinders and Actuators

High and medium pressure cylinders

- Aurora Air Products
- Bimba - TRD
- Lynair

Sensors and Gauges

Pressure, temperature and fluid quality sensors

- Gems Sensors and Controls

Boosters/Pumps

Air driven and electric pumps

- Bucher Hydraulics
- Hydronic
- Maxpro Technologies

High Pressure Fittings, Valves and Tubing

Accessories

- Maxpro Technologies

Vacuum

Pumps, Cups and Control

Material handling

- Anver
- Bimba - Vaccon
- Coval

High Volume Vacuum Pumps

Rotary and positive displacement

- Airtech
- Atlas Copco
- Republic Manufacturing

Measurement & Process Control

Process Valves

Manual, electrical, and pneumatic actuation

- ASCO
- Bi-Torq
- UCI

Sensors and Gauges

Pneumatics, hydraulics, measurement and process control

- Gems Sensors and Controls

Electric Actuation

Linear Actuation

Rod, rodless, ball screw, belt and rack & pinon

- Bimba - Intek Products
- Parker - Origa

Safety & Ergonomics

Sensors and Controls

Machine guarding and safety devices

- Parco
- Pinnacle Systems

Lift Systems

Workstation height adjustment

- Bucher Hydraulics - Dyna Lift
